

Senior Services Case Manager

Non-profit community service agency based in Mountain View seeks Full-Time Senior Services Case Manager. Hours are M-F from 8:30am-5pm (37.5 hours per week)

Responsibilities: direct assistance to seniors living independently in their homes, conducting comprehensive geriatric assessment and care planning, transporting to/from homes and local provider locations, referrals to community resources, follow-up services, maintenance of participant files and documentation of services, data collection, and monthly community outreach.

Requirements: BA in Social Work Psychology, or related field. Minimum one year case management experience working with vulnerable populations and knowledge of community resources preferred. Ability to lift 25 lbs. Clean driving record. Strong advocacy, organizational, and communication skills. Bilingual skills are desired.

Compensation & Benefits: Competitive salary based on education and experience. Excellent benefits package includes employer-paid medical, dental, vision, chiropractic, acupuncture, life insurance, and an Employee Assistance Program. Employer also offers a Flexible Spending Account, retirement plan and paid holidays.

To Apply: Please send a resume and cover letter to mwadiak@csacares.org with the subject line Senior Services Intensive Case Manager.
